13. Plan of action chalked out by the IQAC in the beginning of the academic year towards Quality Enhancement and outcome achieved by the end of the academic year

Plan of Action	Achivements/Outcomes
The IQAC of the college chalked out the following plan of action (2019-20) to be accomplished in the coming year. These include : 1. IQAC discussed in its meeting as per the Veer Kunwar Singh University (Bihar) the various issues related to development of academic infrastructure.	• Organization of inter and intra institutional workshops. Seminars and quality related themes and promotion of quality circles.
2. IQAC discuss about the green energy and social awareness program and conduction of seminars on the above mentioned topics. 3. Teacher's were instructed to make question banks regarding the Academic Calendar.	 In Daily Teaching learning process ICT has been applied. Teachers are motivating and encouraging student to apply ICT while teaching in classroom. Teachers are using English language as a language of communication in the teaching learning process and giving priority to students coming from local rural background.
4. Seminar and research and culture	• Teachers were motivated to conduct seminar during the academic year and it got tremendous effect on the overall development of the student.
5. Quality based teaching learning programm	• Special attention and appropriate facilities provided for advance learner of the college campus.
6. ICT based academic culture	• Functional ICT with modern infrastructure for student orientation program.

4. Whether AQAR was placed before statutory	No

15 Whather NAAC/or any other appredited	Yes
15. Whether NAAC/or any other accredited body(s) visited IQAC or interacted with it to assess the functioning ?	169
Date of Visit	17-Feb-2017
16. Whether institutional data submitted to AISHE:	Yes
Year of Submission	2016
Date of Submission	25-Mar-2016
17. Does the Institution have Management Information System ?	Yes
If yes, give a brief descripiton and a list of modules currently operational (maximum 500 words)	Yes, This institute have MIS system which follow on regular basis it has maintain the inventory of database of students in U.G and P.G. corcer then it processed the data to get the necessary information for taking the decision by management and enhance the profession growth of the students. Under the MIS system, all the information is provided in the form of a digital report. The reporting system is prepared such that information contained in the report confirms the requirement of the decision maker. In over college, there is three level of management system. Vil. Lower, Middle and Top level. The lower level of management contain teachers that are connected directly with trainer students and collect information of day today operations. They store and analyze information, send it to the middle and the top level of management and also store in collective central database. Middle level of management contains HOD, Principal and IQAC. The are the bodies that implement regulation and plans according to the information in reports received directly or from lower level of management. Top level of management - contain the governing body of the college (College management committee council) The CMC gets information relating to external and internal environment which depict the opportunities available in the college. The internal information relating to strengths and weakness of the teaching

learning process of the college so that the strength can be visualised properly and more opportunities can be committed and weakness can be converted into strength.

Part B

CRITERION I – CURRICULAR ASPECTS

1.1 – Curriculum Planning and Implementation

1.1.1 – Institution has the mechanism for well planned curriculum delivery and documentation. Explain in 500 words

Institution has followed the well planned delivery of Curriculum through well planned documentation process. Following are some steps: - 1. Communication of vision mission and objectives. 2. Academic Calendar 3. Display Board 4. Admission broacher 5. Value added course through the Notice Board 6. Time Table 7. Remedial Classes 8. Academic file : Academic file contains individual time table, approved teaching plan, students attendance register and assignment. • In Daily Teaching learning process ICT has been applied. Teachers are motivating and encouraging student to apply ICT while teaching in classroom. • Teachers are using and performing self-study on revised syllabus and programmes. • Teachers are using English language as a language of communication in the teaching learning process and giving priority to students coming from local rural background. • Teachers are performing several action researches, on present education system. • Teachers were motivated to conduct seminar during the academic year and it got tremendous effect on the overall development of the student. • Special attention and appropriate facilities provided for advance learner of the college campus. • Functional ICT with modern infrastructure for student orientation program. • In Daily Teaching learning process ICT has been applied. Teachers are motivating and encouraging student to apply ICT while teaching in classroom. • Teachers are using and performing self-study on revised syllabus and programmes. • Teachers are using English language as a language of communication in the teaching learning process and giving priority to students coming from local rural background. Teachers are performing several action researches, on present education system.

4.4 – Maintenance of Campus Infrastructure

4.4.1 – Expenditure incurred on maintenance of physical facilities and academic support facilities, excluding salary component, during the year

Assigned Budget on academic facilities	Expenditure incurred on maintenance of academic facilities	Assigned budget on physical facilities	Expenditure incurredon maintenance of physical facilites
2646702	2646702	2646702	2646702

4.4.2 – Procedures and policies for maintaining and utilizing physical, academic and support facilities - laboratory, library, sports complex, computers, classrooms etc. (maximum 500 words) (information to be available in institutional Website, provide link)

As per UGC forms and direction of VKSV university for optional utilization of available resources, the allocation and best utilization of researcher achieved the desired objective of institution. All infrastructures related to physical, academic, library, sports are regularly maintained and ensure of maximum benefited to all students as well as staff of the institutions. All the different committee related to infrastructure give report on time for regular monitor and maintenance work. Important functions including the annual college day, / Independence day and Teachers are held in the college auditorium. The auditorium cn seat about 300 people as has a very advanced light and sound system. Other measures are as follows. • The classrooms board and furniture are utilized regularly by the student but sometime it is also made available for board/commission exams/seminars/faculty • Parking facility is well organize The campus maintenance is monitored through CCTV camer. • Sports facility provided to students for indoor and outdoor game. • 100 students are allowed to access the library at a time. • All physical support facility is supersized every year and add some new facilities or amenities for the well true of students https://www.mmadayalsinghttcollege.org// CRITERION V - Student Support and
